THE OVER THE MOUNTAIN RIDE

begins on the picturesque Vermont,

Massachusetts, and New York border.

Riders will experience the joys of traveling through forest and stagecoach trails long since forgotten. Climbing off the mountain is both challenging and serene, opening up into a valley of indescribable beauty. A buffet lunch is provided with free apples for your horses.

The first half of the ride is more challenging and shoes are recommended on all horses. The second half of the ride follows the old wagon trail from Berlin to Grafton. The dirt roads allow riders to move at their own pace. Riders looking for a less strenuous ride can join us at lunch for the 2 ½ hr. ride back to the Clubhouse.

The entire ride is about 25 miles long and can be done at a steady walk in about six hours, including the half hour lunch break. Horses need to be in shape for this lovely fall ride. A rescue trailer will be available for horses (or riders) not able to complete the ride.

**HORSES IN DISTRESS WILL BE EXCUSED
FROM THE RIDE BY OTM OFFICIALS.**
